

LIFE SAVERS ON WHEELS

Fire can happen anywhere and at any time, so keeping extinguisher spread out in relevent locations is important. But when a fire does break out in a particular

location, you need to have all your firefighting equipment at your disposal. At that locaiton.

NOW PUT YOUR FIRE EXTINGUISHERS ON SPEED

Ceasefire presents the perfect accessory to mobilise your firefighting equipment, with a range of innovative Fire Extinguisher Strolleys.

These Strolleys are capable of carrying one or two extinguishers, of capacities ranging from 2 kgs to 10 kgs.

BUILT WITH YOU IN MIND

Every single feature is designed to empower you in the firefighting process.

- High quality construcation of these strudy Strolleys ensures easy mobility, to let you easily rush the fire extinguisher to the location of the fire in the shortest time possible.
- Retractable handles make for easy manoeuvrability while binding straps securely hold the fire extinguisher in place.
- Photoluminescent signs on every Strolley make them easy to locate even through smoke and darkness.
- Powder-coated rustproof bodies make these Strolleys ideal for outdoor use as well.
- Now, you can put all your firefighting power to work in a single location. In fast forward.
